On Sunday, June 18, Huckleberry will be hosting a Summer of Love, Old-School, Family-Friendly, Page Street Block Party!!! From 11:00 am - 5:00 pm Huckleberry staff, board members and supporters will fill the streets with live music, djs, food trucks, face-painting, button-making, tie-dye dipping and a Community Paint-In Mural. **Huckleberry House, our 24-hour crisis shelter**, will also be open for tours. We hope that you decide to spend part of your Sunday with us, as we celebrate the actual day that Huckleberry House opened 50 years ago, and honor the thousands upon thousands of youth who have found safety, solace and support within the walls of Huckleberry House.

**Show your PRIDE!**
We all know that there is power in numbers, and whenever we have the opportunity to join forces with our community and other non-profit partners, to support freedom and equality, we take it! Come join us as we march in celebration, commemoration and solidarity in the San Francisco Pride Festival Parade on Sunday, June 25th. We will bring the van, banners, and all of the tie-dye and daisies imaginable. The only thing you need to bring is you! If you'd like to march with us, please contact Jackson Bowman by Tuesday, June 20. We'd love to have you there!

Cocktails for a Cause at TONIC
It's that time of the year again! Huckleberry Youth Programs is hosting a Cocktails for a Cause fundraiser event at TONIC bar in San Francisco on Friday, June 30, 6-9pm. Huckleberry staff will be mixing, pouring and serving up smiles to raise funds for under-served Bay Area youth and families. Come thirsty, come with friends and feel good about your life decisions as you support a great cause!

Can't make it to one of our events but still want to show some love to Huckleberry?

For 50 years, Huckleberry Youth Programs has partnered with teens and families to overcome adversity. Huckleberry strengthens families and empowers young people with services that promote safety in times of crisis, physical and emotional health and well-being, social justice in communities facing inequality, and educational success.

When ALL youth succeed, the entire community is stronger.
