2012  
ANNUAL REPORT  
July 2011 - June 2012

## Dear Friends,

All of us at Huckleberry Youth Programs are proud of what we have accomplished this past year and the successes of our young clients. We are equally proud of the growing number of community supporters like you who are helping fund our programs. **With continued downsizing by government and foundations due to our poor economy, we rely more and more on community supporters to keep our safety-net services alive.** It may get worse before it gets better. For example, recently, Congress has proposed cuts of federal funding for runaway youth programs, the Americorps volunteer program, and reproductive health care.

“There’s a legend about Michelangelo.

People were mocking him and asking him, ‘Why are you pushing that big boulder?’ Michelangelo looked at them and said, ‘There’s an angel in that rock.’ To everyone else it looked like a boulder. And that’s what they do here at Huckleberry. The Huckleberry staff look at these children and where other people just see cut-ups or bad kids, they see someone worth caring about, walking with, talking with. They see angels.”

– Ken Harrison, San Francisco Deputy Sheriff

## ANGELS IN THE ROCK

We want to thank our Marketing Director, Betsy Hausman, for leading the effort last fiscal year to produce Huckleberry’s first agency video. Please check it out on our website – [www.huckleberryyouth.org](http://www.huckleberryyouth.org). The title “Angels in the Rock” comes from a presentation made to our Board of Directors by Deputy Sheriff Ken Harrison who has been stationed at our Juvenile Justice Program, Huckleberry Community Assessment and Referral Center (CARC) for many years.

## OTHER 2011/2012 HIGHLIGHTS

On May 31 and June 15, our Huckleberry Wellness Academies held graduation ceremonies for a total of 28 seniors from San Francisco and Marin, respectively. This is the first graduating cohort from Marin and the third from San Francisco. **All of these graduates are off to college this fall and will join 22 San Francisco grads who are already in college.**

Our **SOLD OUT** Run for the Roses wine tasting and auction event was held at the St. Francis Yacht Club on Saturday, May 5, 2012. **It was our most successful auction to date raising \$146,000 - 70% more than 2011's auction!** Thank you to all who attended and to our generous Table Captains and in-kind donors.

Lastly, the redesign of our San Francisco Multi-Service Center/Cole Street Clinic, planning for which began in fiscal year 2012, was completed at the beginning of September, 2012. **The renovated space includes a new classroom and computer lab for the Huckleberry Wellness Academy-San Francisco, a new reception area, two additional therapy offices, and a new interior paint job!**

Please visit our website to learn more about recent Huckleberry activities, to meet some of our clients, and to see two recent videos about Huckleberry, including the new "Angels in the Rock." We encourage you to continue supporting the work we do by making a 100% tax-deductible donation or by joining us on **December 1, 2012 at our Beach Blanket Babylon fundraiser.**

## IN MEMORIAM: CECI VALENTE

HUCKLEBERRY BOARD OF DIRECTORS

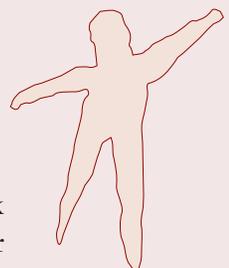

Ceci Valente served on Huckleberry's Board of Directors from 2005 until the time of her death in July 2012. As a Senior Union Bank Vice President, she was a valued member of Huckleberry's

Finance Committee. She was a loyal supporter of our special events, particularly, Cirque du Soleil. We at Huckleberry Youth Programs are most grateful not only for Ceci's support and the expertise she brought as a member of our Board of Directors, but also for the passion and enthusiasm she expressed regarding the welfare and potential of the young people we serve. Her passing is a great loss to all of us.

## THANK YOU TO VICKI SCHWARTZ

HUCKLEBERRY DEVELOPMENT DIRECTOR

In December 2012, Director of Development Vicki Schwartz will be leaving the agency to become the Vice President of the Loretto Community (see [www.lorettocommunity.org](http://www.lorettocommunity.org)). Vicki has been with Huckleberry for 23 years, and she will be deeply missed by all of Huckleberry's Board and staff. We thank her for her dedication and service to our clients and wish her well.

# HUCKLEBERRY YOUTH PROGRAMS 2011/2012 HIGHLIGHTS

## Huckleberry's Bruce Fisher Receives KCBS Jefferson Award for Helping Bay Area Youth Succeed

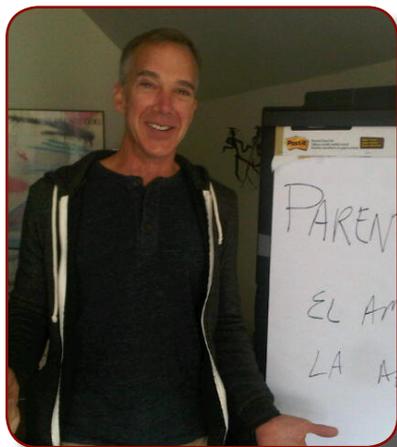

Huckleberry Youth Programs is proud to announce that our Executive Director, Bruce Fisher, has been honored as a KCBS Jefferson Award Winner. (Visit [www.huckleberryyouth.org](http://www.huckleberryyouth.org) to view the KCBS feature on Bruce Fisher.) The Jefferson Award is a prestigious national recognition system honoring community and public service in America. By honoring the recipients, it is the goal of the Jefferson Award to inspire others to become involved in community and public service.

Bruce Fisher's commitment to helping young people succeed has been a passion for the last 25 years, as he leads Huckleberry Youth Programs, one of San Francisco's oldest youth service agencies, and a national model. During his time as Executive Director, the agency budget has grown from \$400,000 in 1988 to over \$4 million in 2012.

Bruce was instrumental in the establishment of the Huckleberry Cole Street Clinic, the Huckleberry Wellness Academies, the creation of the Huckleberry Community Assessment and Referral Center (CARC) in San Francisco, and the Marin Multi-Service Center in San Rafael. Bruce also co-founded the San Francisco Human Services Network, a group of over 100 San Francisco nonprofits advocating for community-based agencies.

Parents' Turn workshops in Spanish.

## "Parents' Turn" Workshop Strengthens Families and Supports Parents

Although Huckleberry's programs are primarily youth-focused, they are not exclusively for young people. A large component of our counseling program includes providing parental and family therapy, resolving immediate family crises, and addressing long-term strategies for the family.

Because family support is integral to Huckleberry counseling services, Huckleberry Clinical Director, Margo Levi, drew upon her years of experience conducting parents' support groups at Kaiser and began "Parents' Turn" in November 2011. **This free, six-week comprehensive parents' workshop provides powerful tools and solutions to help parents deal with adolescent attitudes, end arguing, heal family relationships, address drug and alcohol use, and reinstate parental authority.** Since November, Huckleberry therapists have conducted four, six-week Parents' Turn workshops in English and Spanish. For more information or to enroll in a Parents' Turn workshop, please contact Mark Ryle at [mryle@huckleberryyouth.org](mailto:mryle@huckleberryyouth.org).

## How "Parents' Turn" is Helping Families

"I have **hope** again."

"We are **becoming a family** because of this."

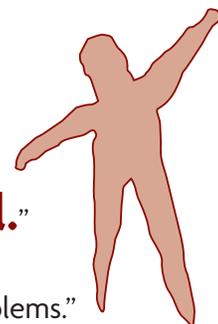

"I'm not afraid anymore. I actually feel **powerful and parental.**"

"We need **more classes** like this one."

"I am **not alone.** Lots of parents have these problems."

"Thank you! **Thank you!** Thank you!"

"My husband and I are a **team again.**"

# HUCKLEBERRY WELLNESS ACADEMIES

## CONGRATULATIONS GRADUATES!

The Huckleberry Wellness Academies (HWA) help high needs youth graduate from high school, transition to college, and pursue health careers. **The goal of HWA is to prepare low-income youth, who will be the first generation in their families to attend college, for post-secondary education and careers in health care.** Now in its fifth year in San Francisco and fourth year in Marin, **the program has served over 150 youth.** Students begin the program as sophomores in high school and are supported through their first year of college.

**On May 31 and June 15 respectively, San Francisco and Marin graduated a total of 28 seniors from the Wellness Academies.** This is the first graduating cohort from Marin and the third graduating cohort from San Francisco. All of these graduates are off to college this fall and will join the 22 San Francisco program graduates who are already in college.

### HWA Program Components Include:

- ♥ Academic support and tutoring
- ♥ Education about health issues and health careers
- ♥ Psychosocial support
- ♥ Placements in health internships
- ♥ Assistance with college applications and financial aid submissions
- ♥ Parent support and education
- ♥ Student support through their first year in college

**CLOCKWISE FROM TOP:** HWA-SF students on a tour of the UCSF Labor and Delivery Dept.; HWA students on a tour of UC Santa Cruz; HWA-SF students participated in mock job interviews in Nov. 2011; HWA Marin Graduate Bremy De Leon is enrolled in Sonoma State University's Pre-Nursing program; and, HWA-SF students on a tour of Stanford Medical School in November 2011.

# HUCKLEBERRY WELLNESS ACADEMY GRADUATE: IVAN RIOS

Ivan Rios has been with HWA since his sophomore year of high school. An incredibly humble and modest person, he kept to himself in the beginning but opened up more and more to HWA staff. He became an integral part of HWA and an incredible role model for younger students.

**Ivan has an unparalleled commitment to academics, and it is reflected in the 4.0 GPA he maintained for the last two years.** He ranks in the top 10% of his class and when asked by others how he does so well, he tells them, "I do all my work. Every night, always." He inspires other HWA students

to work equally hard. Ivan's academic skills are so strong, and he works so well with fellow students, that HWA created an individualized position for him as a math and science tutor in our after-school program. His peers have shown respect for him, and he is a major reason for the success of the tutoring program. The fact that he was able to complete college applications, maintain amazing grades, and spend six hours every week tutoring his peers speaks to his amazing work ethic. **HWA held a special fundraiser for him in the spring and raised \$1,400 in scholarship money.**

## A note of thanks from Ivan:

First, I would like to thank all of you for donating to this scholarship and helping me go to college. Words truly cannot express how grateful I am and how much this means to me. **I will be attending San Francisco State University in the fall. I will be the first person from my family to ever attend college...** I hope that by chasing my dreams I will inspire others to find something they are passionate about and believe that they can succeed no matter who they are, where they come from, or how much money they have in their pocket...

Again, I would like to thank all of you for helping me afford college and be one step closer to achieving my dreams. The fact that you have gone out of your way to help students who are struggling to pay for school shows a lot about the kind of people you are. I am forever grateful.
