## Join Us for the 3rd Annual *Hearts in Harmony* Benefit Supporting Huckleberry Youth Programs

Last year's *Hearts in Harmony* Benefit was a sold-out success — and this year, we're excited to make an even greater impact with your support.

For nearly 60 years, Huckleberry Youth Programs has been a vital force in the Bay Area, standing firm in the belief that all people are entitled to the fundamental rights of safety, health, justice, and education. We've remained true to our founding spirit—innovative, responsive, and deeply committed to meeting the evolving needs of young people and their families.

Our holistic approach to health supports healthy minds, bodies, relationships, and environments, helping youth and their communities thrive.

As we continue this work, we invite you to join the movement by sponsoring the 3rd Annual *Hearts in Harmony* Benefit, celebrating and supporting our new mission:

**Huckleberry Youth Programs works in solidarity with young people and their families to advance their personal growth and social equity.**

Be a part of an inspiring evening filled with purpose, community, and hope for the future. Together, we can make lasting change.
